- Open to students composers enrolled in an academic institution for the 2023-24 academic year. 2024 graduates are welcome to apply
- Submission should be 6-10 minutes in length, for chamber orchestra instrumentation (2.2.2.2.-2.1.1.0-str). Works featuring solo instruments are also accepted.
- NOTE FOR PERCUSSION SCORING: works scored with percussion (including Harp and Keyboard) are accepted for submission. Ease of accommodating instruments will be taken into consideration: timpani, bass drum, vibraphone and other large instruments will be difficult to program.
